# FOREWORD

### DOORWAY TO TOMORROW

Doorways leading onward and upward------areams of future successes and achievments------all of these are partrayed by the Doorways of Millington High School.

Every person who has attended Millington High School remembers, perhaps more than any other object or event in his high school life, the time-worn doorways of M. H. S. which he entered on his way to success.

Most of us, caught up in our own little worlds of dreams and wishes, do not realize that those who have gone before had to pass through these doors. They, too, had their dreams and ambitions, and they used these doors to pass through to futures filled with success.

Every hinge and every worn knob in our doors tell the story of the hundreds of students who ventured through them with their eyes and hearts on a future ideal. Let us remember them and make our steps through the doorways of M. H. S. steps which will lead us to "DOORWAYS THROUGH TOMORROW."

### Class Poem

In the beauty of Autumn of '54
We "New Freshies" opened the Ag. room door.
They called a meeting with the help of Jake
For our color, flower and motto to make.

Our flower was chosen carnation white In spite of the girl's tremendous fight. Our colors, white and Copper Sulfate Blue Does our motto "Nothing is gained without work" suit you?

Sophomores we were made at last
And now our Freshman year is in the past.
Our advisor received was Mr. Lentz
Who helped us bring in our dollars and cents.

Our dance that year was the Valentine Hop, Which put our ego right on top. Then we were Juniors with things to do We worked as a team, all part of the crew.

Among the first was our Jr. Play
The best of all in every way.
We had a dinner and dance as well
"Junior Jump with Johnson", and it was swell.

At last our Senior year was here,
And graduation was drawing near.
The Juniors presented a banquet and Prom
And last came the trip which proved to be fun.

But now it's time, the end's drawing near We must leave this school and friends so dear. We must now open the door of life To live our own, and live it right.

We say farewell, Bonne chance to all, We will not return with you next fall. As we leave to find more happiness, We'll always remember our M. H. S.

# Class History

On a fresh fall morning in September of 1954, eager and gay Freshmen paraded into the Ag. Room. Under the guidance of the annual Freshman sponsor, J. L. Meachum, we began our long awaited high school curriculum

During our first class meeting in 1954, we elected Royce Shamel as President, Dan Spencer as Vice President, Sharon Vansteenkiste as Secretary, and Judy Babion as Treasurer. Royce Shamel was our Student Council Represent-

In our long debated meeting we chose our class colors as Copper Sulfate Blue and White. Our motto was, "Nothing

is gained without work, " Our flower was a White Camation,

Early in the spring of 1955, the day came we had all been waiting for. For this was the day we ordered our class

seeing we didn't have a project in our Freshman year, we decided to have a party. And what a party it was!

Judy was the Queen of the Carnival with Danny Alcantar as our King.

Then along came June and the All M Banquet with letter winners Dick Zink 2, George Kish 1, Tyrone Beebe 1,

Elaine Cole 1, Hilda Hunt 1, and Lila Gleason 1,

The next year as Sophomores, we chose Art Isham as President, Dick Gross as Vice President, Phyllis Carll as Secretary, and Annette Brow as Treasurer, Art Isham and Dick Harvey were our Student Council Representatives, It wasn't long before the sophomores began to strutt. Yes, we had our class rings. You could tell by looking

at the Suphomores, they were in no rutt. For our money making project, we had a great dance with Bill Lamb providing the entertainment as DJ.

Letter winners for this year were George Kish 5, Dick Zink 4, Tyrone Beebe 2, Judy Dalrymple 1, Danny Alcantur I, Roger Love I, Bernard Griffith I, Dianne MacLaren I, Ramona Bewell I, Bonnie Brown I, Lila Gleason 1, and Elaine Cole 1,

The summer flew by tike a flash and we entered our all important Junior year. This was our big money making year, For our officers we selected Jim Carson as President, George Kish as Vice President, Dianne MacLaren for Treas rer, and Elaine Cole for Secretary. Jim Carson, George Kish, and Dan Spencer were Student Council

Representatives.
